

”Music for SDGs”

What are SDGs?

Sustainable Development Goals (SDGs) were adopted by the United Nations (UN) aiming to achieve 17 goals by 2030 for a sustainable, equitable, and inclusive society with **no one left behind** as a keyword. It is a **common global language** for sustainable society.

What we do:

*Under the slogan of **No one will be left behind!**, aiming to provide opportunities for general public to deepen understanding of SDGs in an easier and enjoyable way through music events integrating entertainment and education*

← Director: Makoto Okubo (Mack)

Supporting Artists and Collaboration with TGC

Over 35 supporting artists in different areas (i.e. singers, actors, dancers, musicians, magicians), engaged or interested in SDGs-related activities, intend to join us. Also, we plan to team up with **Tokyo Girls Collection (TGC)**, one of the biggest fashion showcases in Japan.
